

# Resource Overview

Thank you for previewing this resource! These Digital Planner icons were designed to make your lessons plans stand out so you can find things...fast!

**Please Note: These icons are for personal use in your teacher planner only and not intended as clipart for resources. Commercial used is prohibited.**

All clipart was designed to be displayed in a smaller icon size. They will display best when used in a small size to fit well in your planner, but will pixelate if enlarged too much:

Icons come in 30 different options, designed to complement all types of teacher schedules:

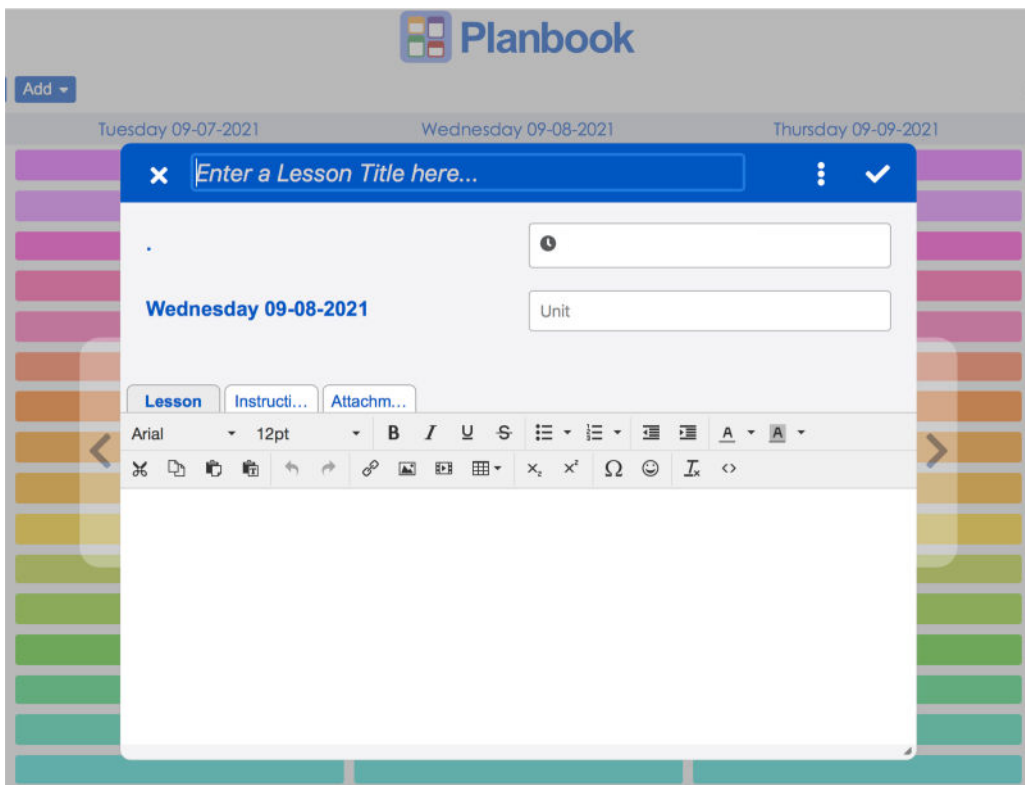

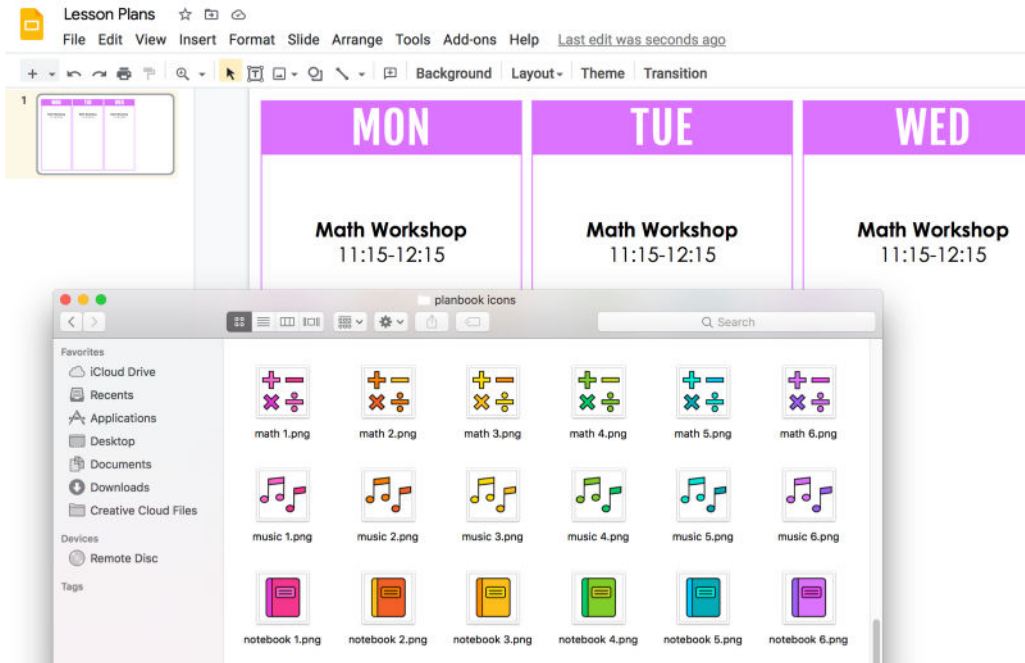

Each icon has also been designed in 6 different coordinating color themes (for a total of 180 icons) to coordinate easily with your planner design:

# How to Use the Icons

These planning icons can be used in any digital planner of your choice! This resource comes with some quick tips on how to add the icons to planners in Google Slides, PowerPoint, Google Sheets, or on Planbook.com.

Thanks again for taking the time to preview this resource! Please do not hesitate to contact me, should you have any questions!
